

ARSHA VIDYA MANDIR

Where tireless striving
stretches its arms
towards perfection

Under the auspices of
Shri Abhinava Vidyatheertha Seva Trust

Book Resources for the Academic Year 2018 - 2019

Student Text Book Lending Resources (STLR) - This offer is in line with the school philosophy to reduce waste and reuse the book resources.

Student Textbook Lending Resources are handed over to all students of Arsha Vidya Mandir in the beginning of the academic year (2018- 2019) to be used for their personal reference at home.

This initiative was started in the year 2017- 2018 and is continued in this year. It has provided an opportunity to the students to help them apply their learning's from the Garbology and practice it in their real life to reduce and reuse resources. These books are meant for reuse in the following years and are expected to last for five cycles provided the books are not changed. These books are cloth bound using eco-friendly adhesives before it is given to students.

Our students have been guided by their teachers to use the STLR with care and responsibility, so that they pass on to their juniors in good condition.

THERE IS NO SUCH A THING AS "AWAY". WHEN WE THROW ANYTHING AWAY IT MUST GO SOMEWHERE - ANNIE LEONARD.

Class-room Text Book Resources: (CTBR)- This offer is in line with the school philosophy to encourage students to come to school with light bags.

Every classroom is equipped with all the subject text books and is made available to students for their use during the classroom learning sessions. Two students share one book and hence the resources provided are at 1:2 ratio. The school has made an investment on the classroom book resources to discourage students bringing their personal copies to school for classroom reference, and thereby ensuring that they come to school with less weight in their school bags. This is in practice for 10 years from now.

Personal copies of students: Please find the below list of book resources that the students have purchased for their use. The workbooks are also maintained in school so that the students use them during their classroom activities and carry them home during weekends for doing their home assignments.

Mrs. Arpitha Reddy

Chief Programme Co-ordinator

Mr. P. Nagarajan

Principal

<i>Class I</i>	
<i>S.No.</i>	<i>Classroom Copies</i>
1	Marigold NCERT
2	Math Magic
